During lectures you can also take notes or sleep. StudyYou can use computers, the textbook you're given when you arrive, or your Sim's smartphone to study. Studying gradually raises the bar. Select form Study Group and your Sim can study with other Sims and raise their relationship with them. Skills/ObjectsRaising Skills associated with your Major will give your Sim academic performance, as will using the skill object they're given by default. ExamsAll Sims attending University have Exams on Friday at the usual class time. Your grade will be determined by your current performance, as will using the skill object they're given by default. ExamsAll Sims attending University have Exams on Friday at the usual class time. (if your Sim is friends with the Professor). Scoring well on an Exam will give your Sim a +10 moodlet for 4h for Passing with Flying Colors. Applying for Extra FundsOnce per 24h, your Sim can apply for extra funds from the University. This gives you \$50 per point of academic performance, up to 100 (it starts in the middle, so 75% of the bar would be \$2500). So, you can apply and when your performance goes up, get even more free money from the university administration building. This mod also adds several small tweaks such as babies will have a blanket at night and don¢ÃÂÂt cover their feet while crouching around. Download here Source: Nexus Mods Did you know that you can only have babies by marrying a person who has the opposite gender from your main character? If they have the same gender, you can only adopt a child. Pelican with a unique baby will come to your house soon! Download here Source: NexusMods Tired of hearing a baby crying noise in your house? Say no more with this special mod which it will replace babies in Stardew Valley with a cute raccoon. They are squishy, adorable, and have two different colors. Download here Source: NexusMods Anthro Children Cat replaces your kids in Stardew Valley with cat race children. If you¢ÃÂÂve ever used a mod to allow you to marry a furry or cat race, this mod extremely makes sense! For now, the baby cat has 3 different colors: siamese, dark orange, and light gray. Download here Source: NexusMods Want a cleaner look for your children¢ÃÂs bedroom? This mod can help you hide the crib and beds with flexible combinations. You can only hide the crib or the bed, or just hide all of them! ChildBedConfig is compatible with other Stardew Valley mods as long as they don¢ÃÂÂt change the location of the ChildBedConfig mod above. With the same functionality, toggle the crib and beds in the backroom. If you want to look for a more stable mod, try this one! Download here Source: NexusMods This mod simply removes the children¢ÃÂÂs bed will come back for a short time. But He's

leaving forever! The extraction of SMAPI Children beds is compatible with other modifications, so it is possible to alter your home with different decorations. Also, if you install other modifications of the house, the beds will also be eliminated! Download here Source: NexusMods listens to me! This is one of the most beautiful modifications of Stardew Valley Children you can find there! By replacing the original babies are so Kawaii adds 32 portraits of anime for their children, including girls and babies. And the expression of children in this mod simply goes beyond the standard! What are you waiting for? Let's take this modern mods! Download here Source: Nexusmods If this is the first time you hear about the farmer's children, then you're lucky! This mod is not just decorative, adds some really nice features for Stardew's school with Jas and Vincent. If you install this mod, your kids will be able to travel through the city of Pelican and explore all kinds of interests outside the farm! This is definitely a big Stardew Valley Children mod! Download here Source: Nexusmods If you are bored with the way your child's hair looks, then we have an easy solution for that! This mod will allow you to change your children's hairstyle in a very easy way, and there will also be random hairstyles after saving the game! These are just some of the hairstyles that your children can have! Choose the most cute one for your child and change it when necessary. This Stardew Valley mod does not add many new features, but the quality of hairstyles is so nice that we are adding it to the list.
